

**GET UP!

3-10 JULY 2022

NAIDOC Week events are held across Australia in the first week of July each year, to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples.

NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories, and to participate in celebrations of the oldest living cultures in history.

As a health service, WBHHS is committed to working with our local First Nations Elders, peoples and communities to improve the health and wellbeing outcomes of Aboriginal and Torres Strait Islander people across Wide Bay. We would like to invite you to attend a WBHHS NAIDOC Week event and to **Get Up! Stand Up! Show Up!** with us.
