

CARING FOR OUR COMMUNITY

Is your family eligible for assistance?

Port Curtis Coral Coast Trust Limited (PCCC) represents the Byellee, Gooreng Gooreng, Gurang and Taribelang Bunda people who make up the Port Curtis Coral Coast Native Title claim group. The PCCC native title claim area covers land of approximately 19,583 kilometres and a sea area of approximately 26,386 kilometres in South Queensland from the Gladstone area south to the Bundaberg region.

The PCCC has many Native Title priorities and the community is looking forward to Consent Determination being handed down in November 2017. This is a historical moment for the claim and community to finally get recognition after such a long fight.

The Trust is also responsible for running a number of socio programs to provide empowering assistance to our community including:

❖ **ELDERS PROGRAM**

❖ **WHITE GOODS PROGRAM**

- The PCCC Trust White Goods Program is designed to provide assistance to PCCC families with the supply of essential household Whitegoods.

❖ **FUNERAL ASSISTANCE**

❖ **EDUCATION GRANTS & SCHOLARSHIPS**

PCCC supports three priority programs:

- Back to School
- Enhancement, Political, Social Cultural Engagement and Sporting Scholarship
- Tertiary Education Scholarship

❖ **YOUNG MOB LEARNING HOMEWORK CLUB**

❖ **PCCC & TUCKA TIME SCHOOL HOLIDAY PROGRAM**

Employment and training are also a high priority for our community and the PCCC seeks opportunities with key industry partners to help place people in meaningful employment and training on country. Advocacy and driving the employment and training agenda are an even bigger focus in our community with such difficult economic conditions and we continue to lobby for better outcomes for our community.

There are many more great initiatives and activities being run by the PCCC and some our Deadly Aboriginal Corporation partners and we encourage everyone to visit our website to learn more about the services and programs available www.pccctrust.com.au
