The FNBGGGTB Board recognises the vital role of education—especially tertiary education—in improving the health, economic wellbeing, and community contribution of our people. Higher education also supports effective participation in broader society.

To enhance educational outcomes for FNBGGGTB members, tertiary education has been identified as a key priority (Priority Three) in the FNBGGGTB suite of programs. The FNBGGGTB Education Committee has developed this policy as part of the Education Assistance Range of Programs.

## FUNDING AVAILABLE

Scholarship assistance is available for FNBGGGTB members enrolled in University, Certificate IV, or Diploma studies who submit a formal application:

- Evidence of community contribution or leadership.
- Academic transcript / proof of enrolment.
- **Postgraduate students:** Supervisor or Higher Degree Research letter detailing progress.
- Two references: one from a recognised FNBGGGTB community member and one additional (academic, professional, or personal).

## SELECTION CRITERIA

- Proof of enrolment
- Written references (academic and community)

## APPLICATION PROCESS

- Disclose previously enrolled courses and whether they were completed.
- Submit certified academic transcript if currently studying.
- Provide one academic and one community referee.

**Note:** Future applications are only considered if the current scholarship shows successful progress (e.g., all subjects passed).

## SELECTION PROCESS

- Applications are assessed by the Scholarship Committee in consultation with the FNBGGGTB Executive and recommended to the FNBGGGTB Board.
